Software Systems Engineering(ENSE) - Analyze and develop operational, management, and information software systems.
(Will be able to click to bring to further information)

Electronic Systems Engineering(ENEL) - Design information and communication systems using electronics and computers.
(Will be able to click to bring to further information)

Environmental Systems Engineering(ENEV) - Address environmental issues with water, transportation, industry, and waste management.
(Will be able to click to bring to further information)

Industrial Systems Engineering(ENIN) - Organize and utilize the total resources of modern manufacturing and process industries.
(Will be able to click to bring to further information)

Petrolium Systems Engineering(ENPE) - Manage and evaluate oil and gas reserves and design production systems.
(Will be able to click to bring to further information)

These will filter the faculty listing

David deMontigny
Ph.D., P.Eng., FEC
Associate Dean (Academic), Associate Professor, Engineering

Office: ED 409.2
E-mail: david.demontigny@uregina.ca
Phone: 306-337-2277
Fax: 306-585-4855

Research interests
Chemical absorption of CO2 in packed columns and membrane contactors, Solvent regeneration in membrane desorbers, Membrane-solvent wettability and performance evaluation, Manufacturing of hydrophobic, microporous polymer membranes, Evaluation of membrane resistances, Design of membrane contactor modules, Manufacturing and testing of structured packing, Process simulation and optimization

Timothy Maciag
Ph.D.
Associate Program Chair, Lecturer, Software Systems Engineering

Office: ED 410
E-mail: timothy.maciag@uregina.ca
Phone: 306-337-2407
Fax: 306-585-4855
Website: http://uregina.ca/~maciagt/

Research interests
Human Computer Interaction, Knowledge Management, Education Technology & eLearning, Social Informatics, Computing Education, Decision Support Systems, Software Engineering Methodologies (Agile, Scrum, Lean), Business Analysis, Project Management, and Free/Libre Open Source Software.

Trevor Douglas
B.A.Sc., P.Eng.
Interim Program Chair, Lab Instructor, Software Systems Engineering

Office: ED 473
E-mail: trevor.douglas@uregina.ca
Phone: 306-585-5269
Fax: 306-585-4855
Website: http://uregina.ca/~douglatr/
